EMPATHY MAP

CONTAINMENT ZONE ALERT APPLICATION

Containment Zone Alerting Application

WHAT DO THEY THINK AND FEEL
- Whether the data about the isolated zones are up-to-date?
- Whether there is a privacy for the user's data??

WHAT DO THEY HEAR?
- Virtual doctor suggestion in case of any symptoms.
- Precautionary measures to be taken while travelling

Containment Zone

WHAT DO THEY SEE?
- Shows the intensity of the zones in 3 different colors.
- Shows number of active cases in that particular zone

WHAT DO THEY SAY AND DO?
- Tracking the user's location using GPS
- Storing the data about the cases and zones in cloud.

PAIN
- Internet will not be stable in some rural areas
- GPS has to be switched on all the time

GAIN
- Prevents trespassing into containment zone
- Gives update about covid affected areas
